The Glorious 36 Years

India's oldest and largest manufacturer of plastic moulded toys, school furniture and outdoor play equipment.

At OK Play, we love kids' innocence and dreams. Our mission is to help them grow smarter and happier. We believe that by offering unique toys and teaching good values, we can help kids build a strong foundation. Our toys are like stepping stones that help kids reach for the stars.

The fully integrated, state-of-the-art plants have the latest generation, fully computerised machines for mould design and fabrication, all types of plastic moulding, post moulding facilities and an assembly line. The sophisticated facilities, operated by trained and experienced professionals, ensure precise mouldings resulting in a quality that measures up to the finest in the world.

OK Play is not just another brand. It is a whole new approach towards children.

About Us

From day one, It was plastics. Our focus was clear, steady & committed & so it remains today.

We have stayed faithful to our core competence but expanded & depended our knowledge of plastics, incorporating the last technological advances from across the world.

Quality, Innovation and customer focus are the beacons that have constantly lit our path. Our products stand out for their striking designs that become attention grabbers anywhere they go. Our meticulous attention to detail ensures that each product is user-friendly, safe & durable. The thread that connects them is world-class quality.
